

**Don Tapscott, C.M. B.A., B.Sc, M.Ed, LL.D.  
Executive Chairman, Blockchain Research Institute**

Don Tapscott, Executive Chairman of the Blockchain Research Institute, is one of the world's leading authorities on the impact of technology on business and society. He has authored 16 books, including *Wikinomics: How Mass Collaboration Changes Everything*, which has been translated into over 25 languages.

Don's most recent and ambitious book was co-authored with his son, Alex Tapscott, a globally- recognized investor, advisor and speaker on blockchain technology and cryptocurrencies.

*Blockchain Revolution: How the Technology Behind Bitcoin and Other Cryptocurrencies is Changing the World* was published in May 2016 and is, according to Harvard Business School's Clay Christensen, "the book, literally, on how to survive and thrive in this next wave of technology-driven disruption." The paperback version of the book, updated with new material covering recent developments in the blockchain industry, was published in June 2018.

In 2017, Don and Alex co-founded the Blockchain Research Institute, whose 80+ projects are the definitive investigation into blockchain strategy, use-cases, implementation challenges and organizational transformations.

Don is a member of the Order of Canada and is ranked the second most influential Management Thinker and the top Digital Thinker in the world by *Thinkers50*. He is an Adjunct Professor at INSEAD and Chancellor of Trent University in Ontario. It is hard to imagine anyone who has been more prolific, profound, and influential in explaining today's technological revolutions and their impact on the world.
